

SECTION 1 - IDENTIFICATION

Manufacturer: Black Swan Mfg. Co. 4540 W. Thomas St. Chicago, IL 60651-3318 Tel.: 800-252-5796 Fax: 773-227-3705 Web Site : www.blackswanmfg.com E-mail : info@blackswanmfg.com	For any Transportation or Medical Chemical Emergencies call: INFOTRAC (800) 535-5053 OR (352) 323-3500 24 hours per day - 7 days a week
Product Name: Water Wow!	Recommended Use: Jells water to eliminate water spills.

SECTION 2 – HAZARD(S) IDENTIFICATION

Labels None	NFPA HEALTH HAZARD 4 – Deadly 3 – Extreme Danger 2 – Hazardous 1 – Slight Hazardous 0 – Normal Material SPECIFIC HAZARD Oxidizer OX Acid ACID Alkali ALK Corrosive COR Use NO WATER W Radioactive R	Fire Hazard Flash Points 4 – Below 73°F 3 – Below 100°F 2 – Above 100°F, Not exceeding 200°F 1 – Above 200°F 0 – Will not burn Reactivity 4 – May detonate 3 – Shock and heat may detonate 2 – Violent chemical change 1 – Unstable if heated 0 – Stable	GHS Classification Health Acute Toxicity: Not Established Skin Irritation: Not Established Eye Irritation: Not Established Skin Sensitization: NO Environmental Acute Aquatic Toxicity: Not Established Chronic Aquatic Toxicity: Not Established Physical Flammability: Not Established
Signal Word None			Hazardous Statements H315: Causes skin irritation H320: Causes eye irritation H333: May be harmful if inhaled
HMIS HEALTH 1 FLAMMABILITY 0 REACTIVITY 0			Precautionary Statements P102 : Keep out of reach of children

SECTION 3 – COMPOSITION / INFORMATION ON INGREDIENTS

Chemicals	CAS#	EINECS#	REACH Pre-registration Number	Approx %
SODIUM POLYACRYLATE	9003-04-7	N/A	N/A	100%

*Unlisted ingredients are not classified as hazardous according to OSHA 1910.1200.

SECTION 4 – FIRST-AID MEASURES

Inhalation: Remove victim to fresh air. If respiratory irritation occurs get medical attention. Skin: Remove polyacrylate absorbent dust from skin washing using soap and water. If skin irritation occurs get medical attention. Eyes: Immediately flush with plenty of water. Remove contact lenses if present and easy to do so, continue rinsing. Remove particles remaining under the eyelids. If eye irritation persists get medical attention. Ingestion: Non-toxic by ingestion. Get medical attention if you feel unwell.

SECTION 5 – FIRE-FIGHTING MEASURES

Fire Hazard: None. Combustion Products: None known. Extinguishing Media: Dry Chemical, Carbon Dioxide, Foam, and Water Fog Unsuitable Extinguishing Media: None known. Protective Equipment: Wear a self-contained breathing apparatus. Special Fire Fighting Procedures: Slippery conditions are created if spilled product comes in contact with water.
--

GHS SAFETY DATA SHEET

SECTION 6 – ACCIDENTAL RELEASE MEASURES

Personal Precautions: Avoid respirable dust inhalation during clean up. Use caution after contact of product with water, as extremely slippery conditions will result.

Protective Equipment: Wear approved respirator.

Emergency Procedures: None.

Environmental Precautions: None.

Methods for Cleaning Up: Do not sweep product. When possible, vacuum the product using a HEPA filter (mandatory when using a vacuum). If no vacuum is available, moisten the product, scoop up and place into an approved disposable container. Residual may be flushed with water into the drain for normal wastewater treatment. This is a non-hazardous waste suitable for disposal in an approved solid waste landfill.

SECTION 7 – HANDLING AND STORAGE

<u>Handling</u>	<u>Storage</u>
Keep out of reach of children. Handle as an eye and respiratory tract irritant.	Store in a dry, closed container. Incompatible Materials: None.

SECTION 8 – EXPOSURE CONTROLS / PERSONAL PROTECTION

Exposure Limits

This product is not classified as hazardous according to OSHA 1910.1200.

Engineering Controls: A source of running water to flush or wash the eyes and skin in case of contact.

Ventilation: Provide local exhaust ventilation to maintain worker exposure to less than 0.05 mg/m³ over an eight-hour period.

Personal Protective Equipment – Respiratory: Wear respirator with a high efficiency filter if particulate concentration in the work area exceeds 0.05 mg/m³ over an eight hour time period. **Skin:** Wash thoroughly after handling. Use impervious gloves when handling the product in the manufacturing environment. **Eyes:** Wear safety glasses with side shields or goggles.

SECTION 9 – PHYSICAL & CHEMICAL PROPERTIES

Appearance:	White granular powder	Flash Point:	Not Established	Vapor Pressure:	Not Established
Odor:	None	Specific Gravity:	0.4 – 0.7 g/ml	Flammability:	Not Established
pH:	5.5 - 6.5 (1% in water)	Solubility (H2O):	Insoluble	Flammability Limits:	LEL – Not Established
Melting Point:	>390°F	Evaporation Rate:	<1.0		UEL – Not Established
Freezing Point:	Not Established	Vapor Density:	Not Established		
Boiling Point:	Not Established	VOC:	Not Established		

SECTION 10 – STABILITY AND REACTIVITY

Stability: Stable.

Hazardous polymerization: Will not occur.

Conditions to avoid: None.

Incompatible materials: None.

Hazardous decomposition products: None known.

SECTION 11 – TOXICOLOGICAL INFORMATION

Toxicity

This product is not classified as hazardous according to OSHA 1910.1200.

Likely Routes of Exposure: Skin Contact and Eye Contact.

Symptoms and Effect - Inhalation: Exposure to respirable dust may cause respiratory tract and lung irritation and may aggravate existing respiratory conditions. **Skin Contact:** Exposure to the dust, such as in manufacturing, may aggravate existing skin conditions due to drying effect. **Eye Contact:** Dust may cause burning, drying, itching, and other discomfort, resulting in reddening of eyes. **Ingestion:** Although not a likely route of entry, tests have shown that polyacrylate absorbents are non-toxic if ingested. However, as any instance of non-food consumption, seek medical attention in the event of any adverse symptoms.

Long-Term Effect: None known.

Pre-Existing Conditions: None known.

SECTION 12 – ECOLOGICAL INFORMATION

Ecotoxicity: None known.

Persistence & Degradability: None known.

Bioaccumulative Potential: None known.

Mobility in soil: None known.

GHS SAFETY DATA SHEET

SECTION 13 – DISPOSAL CONSIDERATION

Dispose of product or container in accordance with federal, state or local regulations.

SECTION 14 – TRANSPORTATION INFORMATION

D.O.T. (U.S.): Not Regulated.

SECTION 15 – REGULATORY INFORMATION

Precautionary Label Information: None.

Risk Phrases: None.

Safety Phrases: S2-Keep out of reach of children.

SECTION 16 – OTHER INFORMATION

Information on this form is furnished solely for the purpose of compliance with the Occupational Safety and Health Act and shall not be used for any other purpose. Black Swan Mfg. Co. urges the customers receiving this Material Safety Data Sheet to study it carefully to become aware of the hazards, if any, of the product involved. In the interest of safety, you should notify your employees, agents and contractors of the information on the sheets.
